

# EVERYDAY STEWARDSHIP

September 8, 2024

I love watching replays of great sports highlights. Sometimes you see something so extraordinary that you tell others they have to see it to believe it. The one-handed catch, the in-the-park home run, and the photo finish are all examples of these types of moments. They are amazing feats that boggle the mind.

I wonder how many people in biblical times saw Jesus perform miracles and told others they wouldn't have believed it unless they saw it with their own eyes. Of course, we believe the stories of his miracles, and we didn't see them in person. We do believe them, don't we?

There is no television program that features replays of the actual miracles Jesus performed 2,000 years ago. However, there are miracles every day for the world to see. Many of those come about by allowing God to work through us. People are waiting to be healed and fed, and mountains are waiting to be moved. There might not be a replay for these miracles either. However, people will be amazed by the power of God. Jesus said we could do these things if we had faith. Blessed are those who believe but who have not seen. Furthermore, blessed are those who perform great works with God so that others may see.
